COUNTY ACTION REQUESTED ON: Public use on a county road

HISTORY, FACTS AND ISSUES: On October 11, 2016, the Lowndes County Board of Commissioners determined the excess portion of right of way off of Payton Place has ceased to be used by the public to the extent that no substantial public purpose is served by it or that its removal from the county road system is otherwise in the best public interest. The right of way became excess due to the realignment and paving of Payton Place. As required by Georgia statute, each adjoining property owner was notified by certified mail of the intent and public hearing. The public hearing was also advertised in the *Valdosta Daily Times*.
