COUNTY ACTION REQUESTED ON: Approval of Elected Officials Using County Issued Purchasing Cards and Credit Cards

HISTORY, FACTS AND ISSUES: During the 2015 legislative session, the General Assembly passed HB 192 which changed the requirements for county issued purchasing cards and credit cards used by elected officials. In February of this year, the County adopted an ordinance outlining the card program as required by the statute. Additionally, each elected official using a card was required to be approved in an open meeting after signing a credit card user agreement. The final agreements have been signed and three officials are currently using county issued credit cards.
