COUNTY ACTION REQUESTED ON: Professional Engineering Services and Environmental Permitting for Jumping Gully Road Bridge Replacement

---

HISTORY, FACTS, AND ISSUES: EMC Engineering Services has completed the hydraulic analysis of the drainage basin at Jumping Gully Road and it has been determined that the bridge elevation will need to be raised approximately nine (9) feet.

Attached is the proposal from EMC Engineering Services for professional engineering services and environmental permitting for the Jumping Gully Road bridge replacement project.

- OPTIONS: 1. Approve EMC Engineering for professional engineering services to complete the construction plans for the Jumping Gully Road bridge replacement project.  
2. Board's Pleasure.

RECOMMENDED ACTION: Option 1.

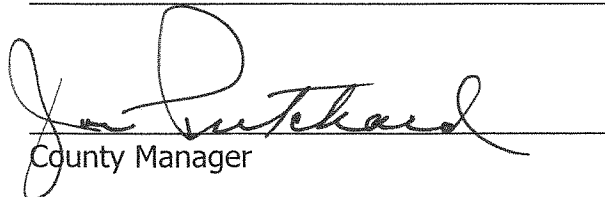

DEPARTMENT: Engineering

Department Head: Mike Fletcher

ADMINISTRATIVE COMMENTS AND RECOMMENDATION:
