COUNTY ACTION REQUESTED ON: Adoption of Resolution accepting Subdivision Utilities for
County Maintenance

HISTORY, FACTS AND ISSUES: Creekside West Phase II is located on Hwy 122, west of I-75. Engineering and utility staff have made the final inspection of the project, and the work is substantially complete. All roads will remain private, lots will be served by Lowndes County water and sewer. A punch list of construction items to be addressed has been provided to the contractor, and the final paperwork is in process at the time of agenda submittal (punch list corrections, payment for street signs). The final plat will not be signed for recording until all paperwork is received. Attached is a letter requesting acceptance of water and sewer for this subdivision.
