COUNTY ACTION REQUESTED ON: GDOT Project 00762 Exit 22 & 29 Utilities Relocation

HISTORY, FACTS, AND ISSUES: GDOT project 00762 requires the relocation of county utilities at exit 22 & 29 on I-75. This includes several components of the county water and sewer systems. GDOT has submitted a contract item agreement which sets forth the conditions under which the State agrees to have its contractor perform the required work and by which Lowndes County will reimburse the GDOT for this work. The maximum obligation of the County under this agreement is \$684,515.30. Staff recommends approval and the Chairman be authorized to sign the agreement.
