COUNTY ACTION REQUESTED ON: Replacement of Franks Creek Bridge on Morven Road

HISTORY, FACTS, AND ISSUES: Lowndes County solicited bids to Replace Franks Creek Bridge on Morven Road. This project is a design build for a Georgia DOT approved HS20 bridge structure. The new bridge will be 120 feet long and 32 feet wide. All construction work will take place during June and July 2015 to ensure that school buses will not be affected by the detour. Vendors present for the pre-bid meeting held on March 2, 2015 were Reames and Son Construction, The Scruggs Company, Rountree Construction, and Southern Concrete Construction Co. We received one (1) bid on March 27, 2015.

Southern Concrete Construction Co. Valdosta, Georgia \$ 572,300.00

OPTIONS: (1) Accept bid proposal and authorize execution of contract documents to Southern Concrete Construction, Co.
 (2) Board's Pleasure

RECOMMENDED ACTION: (1) Accept bid proposal and authorize execution of contract documents to Southern Concrete Construction, Co.
