COUNTY ACTION REQUESTED ON: Abandonment of Lane Rd. and a portion of Sheavette Rd.

HISTORY, FACTS AND ISSUES: On November 14, 2017, the Lowndes County Board of Commissioners determined that Lane Road and a portion of Sheavette Road have ceased to be used by the public to the extent that no substantial public purpose is served by them and that their removal from the county road system is otherwise in the best public interest. As required by Georgia statute, each adjoining property owner was notified by certified mail of the intent and public hearing. The public hearing was also advertised in the *Valdosta Daily Times*.
