ACTION REQUESTED ON: Addition to Basic Decorative Lighting District: Creekside West, Phase 3B, GA Hwy 122, 18 lots

HISTORY, FACTS AND ISSUES:

This request concerns a Petition to add 18 lots of Phase 3B of the Creekside West Subdivision into the County's basic decorative street lighting district under the Street Lighting Ordinance. For reference, staff has verified that the Petition is ready for LCBOC consideration, including verifying at least 2/3 of the owners' signatures for the proposed lot additions have been obtained, testing the financial solvency of the addition, and checking that associated lighting installation costs have been paid. Additionally, notice for the proposed district has been advertised in the VDT and signs have been posted to advertise the public hearing on the Petition. The current charges for the basic decorative street lighting district is \$61.50 per lot per year. Staff recommends adding this portion of Creekside West into the County's basic decorative street lighting district through approval of the attached amendment to the current Street Lighting Ordinance.
