COUNTY ACTION REQUESTED ON: Bid for Bemiss Road Mowing

HISTORY, FACTS, AND ISSUES: Lowndes County requested proposals for the mowing, edging, weed eating, blowing, and removal of debris along the right of way and median of Bemiss Road from North Oak Street Extension to 1 mile north of Moody Air Force Base's south gate. The county has asked for one cut per month, plus additional cuts as requested by the County. This model was used to determine the pricing. This is a year-long contract with the option to renew for 4 additional year long terms. Seven vendors attended the mandatory pre-bid conference but only one vendor submitted a bid.
