COUNTY ACTION REQUESTED ON: Utility Relocation for Franks Creek Bridge on Morven Road

HISTORY, FACTS, AND ISSUES: Lowndes County is currently in the process of replacing the Franks Creek Bridge on Morven Road. Currently there is a power line that runs diagonally across the eastern end of the bridge. In order for the new bridge structure to be installed, the existing utility line will need to be relocated. Attached is a contract and cost estimate from Georgia Power for the utility relocation.

OPTIONS: 1. Authorize execution of contract documents with Georgia Power  
2. Board's Pleasure

RECOMMENDED ACTION: Authorize execution of contract documents with Georgia Power
