COUNTY ACTION REQUESTED ON: Addition to Basic Decorative Lighting District: Cattle Crossing Subdivision
(24 lots)

HISTORY, FACTS AND ISSUES: This request concerns a Petition to add 24 lots of the Cattle Crossing Subdivision into the County's basic decorative street lighting district under the Street Lighting Ordinance. For reference, staff has verified that the Petition is ready for LCBOC consideration, including the verification that at least 2/3 of the owners' signatures for the proposed lot additions have been obtained, and testing the financial solvency of the addition. Additionally, notice for the proposed district has been advertised in the Valdosta Daily Times and signs have been posted to advertise the public hearing on the Petition. The current charge for the basic decorative street lighting district is \$61.50 per lot, per year.

Staff recommends adding the 24 lots of the Cattle Crossing Subdivision as defined on the petition into the County's basic decorative street lighting district through approval of the attached amendment to the current Street Lighting Ordinance.
