COUNTY ACTION REQUESTED ON: Approve Doctors Direct Healthcare, LLC. (DDHC)

HISTORY, FACTS AND ISSUES: Over the past three years Lowndes County has offered employees the opportunity to participate in the "Serve Well Lowndes" employee wellness program. The program was developed to help create a culture of wellness that would improve the quality of life for employees by developing healthier lifestyle choices. Employees have participated in annual biometric screenings, health risk assessments, health coaching, challenges and healthy breaks.

As the county moves forward with the employee wellness program, staff feels Doctors Direct Healthcare, LLC. will help strengthen and expand the impact the program will have on county employees' health. Doctors Direct Healthcare, LLC. will bring a new and unique approach to the county's wellness initiatives by individualizing the experience for each employee with a strong focus on prevention, risk reduction and goal setting.

OPTIONS: (1) Approve Doctors Direct Healthcare as the County's Wellness Program Administrator and authorize the Chairman to sign the Service Agreement and Business Associate Agreement.
