COUNTY ACTION REQUESTED ON: Decommission and removal of old Motorola Radio System

HISTORY, FACTS AND ISSUES: The old Motorola Radio System is being decommissioned. The old radio equipment that is present has no resale value since so many of these systems have been decommissioned over the last 5 years or so. This equipment needs to be removed from the sites. MSI, a company that Motorola contracts to assists in the removal of old equipment, is willing to haul off this equipment free of charge to the county in an effort to close out the project and rid the county of the burden of disposal.

The attached document is an example of what we will receive as proof that the old equipment has been destroyed and all proprietary data has been eliminated.

OPTIONS: 1. Approve the removal and destruction of old equipment
2. Board's Pleasure

RECOMMENDED ACTION: Board's Pleasure

DEPARTMENT: Lowndes County 911

Department Head: Danny Weeks

ADMINISTRATIVE COMMENTS AND RECOMMENDATION:

County Manager

Action Taken By Board: _____
