COUNTY ACTION REQUESTED ON: Additional Position for State Court

HISTORY, FACTS AND ISSUES:

During 2015, a temporary position was created to fulfil some of the court reporting duties of State Court. In anticipation of continued use of the additional court reporter, the County budgeted additional funds in the Court Costs line for State Court. State Court is requesting that this position be made permanent. The new position would cover administrative duties as well as court reporting. The estimated personnel costs for this position for half a year beginning in January is approximately \$24,500. Staff estimates that half of that amount would be available in the Court Costs line with the remainder coming from Contingency.
