COUNTY ACTION REQUESTED ON: Approval of vendor for bridge repair project

HISTORY, FACTS, AND ISSUES: Lowndes County requested a price for emergency repairs to the Jumping Gully Road Bridge from Southern Concrete. The repairs to the Jumping Gully Road Bridge are a result of a bridge investigation report conducted by the Georgia Department of Transportation. Under these repairs, a straddle bent will be installed for additional support to the bridge structure due to a deteriorated wooden pile.

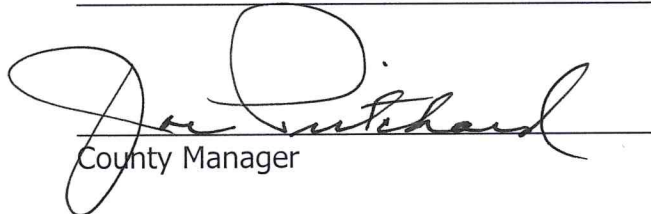

OPTIONS: (1) Authorize Southern Concrete to complete emergency repairs
(2) Board's pleasure
