COUNTY ACTION REQUESTED ON: Acceptance of Trust Deed

HISTORY, FACTS AND ISSUES: James Warren and Associates is developing a piece of property in the County and would like to have a private water system serve this development. The developer is requesting that the Board of Commissioners approve a trust deed for this system. The State requires that new subdivisions have a trust deed, before they will issue a water system permit.

I would recommend that you accept this Trust Deed and authorize the Chairman to sign.
