COUNTY ACTION REQUESTED ON: Accept proposal for Bridge Foundation Investigation

HISTORY, FACTS, AND ISSUES: Lowndes County received a proposal from TTL to complete a Bridge Foundation Investigation for the Morven Road Bridge Replacement project located at Franks Creek. The Bridge Foundation Investigation is critical in the design of the bridge so that the engineer can determine the depth and size of piles. Lowndes County is planning to begin the replacement of the Morven Road Bridge in June 2015. It will take approximately 30 days to complete the investigation.

OPTIONS: (1) Accept Proposal from TTL for Bridge Foundation Investigation  
(2) Board's Pleasure
